

REMARKS

This application has been reviewed in light of the Office Action dated December 19, 2006. Claims 21-34 and 36 are presented for examination. Claims 73-85 have been cancelled, without prejudice or disclaimer of the subject matter presented therein. Claims 21 and 34 are in independent form. Favorable reconsideration is requested.

The Office Action requires cancellation of Claims 73-85 which have been withdrawn by the Examiner as being directed to a constructively non-elected invention. Those claims have been cancelled and will be presented in a separate divisional application.

Only allowed claims remain. In view of the foregoing amendments and remarks, Applicants respectfully request favorable reconsideration and early passage to issue of the present application.

Applicant's undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below-listed address.
